In addition, reimbursement shall not be claimed for meals served to children who are not enrolled, for meals served to children at any one time in excess of authorized capacity, or for any meal served at a proprietary title XX center during a calendar month when less than 25 percent of enrolled children or 25 percent of licensed capacity, whichever is less, were title XX beneficiaries.

(6) Three hours shall elapse between the beginning of one meal service and the beginning of another, except that 4 hours shall elapse between the service of a lunch and supper when no supplement is served between lunch and supper. The service of a supper shall begin no later than 7 p.m. and end no later than 8 p.m. The duration of the meal service shall be limited to 2 hours for lunches and supper and 1 hour for other meals.

(7) Each outside-school-hours care center shall ensure that each meal service is supervised by an adequate number of operational personnel trained in Program requirements. Operational personnel shall ensure that:

(i) Meals are served only to children enrolled for care and adults who perform necessary food service labor; (ii) meals served to children meet the meal pattern requirements specified in § 226.20; (iii) each meal service is consistent with the meal time requirements of paragraph (b)(7) of this section; (iv) meals served are consumed on the premises of the centers; (v) accurate records are maintained; and (vi) the number of meals prepared or ordered is promptly adjusted on the basis of participation trends.

(8) Each outside-school-hours care center shall accurately maintain the following records:

(i) Documentation of enrollment for all children, including information used to determine eligibility for free or reduced price meals in accordance with § 226.23(e)(1);

(9) An outside-school-hours care center may utilize existing school food service facilities or obtain meals from a school food service facility, and the pertinent requirements of this part shall be embodied in a written agreement between the outside-school-hours care center and the school. The center shall maintain responsibility for all Program requirements set forth in this part.

(c) Each outside-school-hours care center shall comply with the record-keeping requirements established in § 226.10(d), in paragraph (b) of this section and, if applicable, in § 226.15(e). Failure to maintain such records shall be grounds for the denial of reimbursement.

§ 226.19a Adult day care center provisions.

(a) Adult day care centers may participate in the Program either as independent centers or under the auspices of a sponsoring organization; provided, however, that public and private non-profit centers shall not be eligible to participate in the Program under the auspices of a for-profit sponsoring organization. Adult day care centers participating as independent centers shall comply with the provisions of § 226.15.

(b) All adult day care centers, independent or sponsored, shall meet the following requirements:

(1) Adult day care centers shall provide a community-based group program

designed to meet the needs of functionally impaired adults through an individual plan of care. Such a program shall be a structured, comprehensive program that provides a variety of health, social and related support services to enrolled adult participants.

(2) Adult day care centers shall provide care and services directly or under arrangements made by the agency or organization whereby the agency or organization maintains professional management responsibility for all such services.

(3) Adult day care centers shall have Federal, State or local licensing or approval to provide day care services to functionally impaired adults (as defined in § 226.2) or individuals 60 years of age or older in a group setting outside their home or a group living arrangement on a less than 24-hour basis. Adult day care centers which are complying with applicable procedures to renew licensing or approval may participate in the Program during the renewal process, unless the State agency has information which indicates that renewal will be denied.

(4) Except for proprietary title XIX or title XX centers, adult day care centers shall be public, or have tax-exempt status under the Internal Revenue Code of 1986, or be moving toward compliance with the requirements for tax-exempt status, or be currently operating another Federal program requiring nonprofit status. An adult day care center which has applied to the Internal Revenue Service (IRS) for tax-exempt status may participate in the Program while its application is pending review by IRS. If IRS denies the application for tax-exempt status, the adult day care center shall immediately notify the State agency of such denial and the State agency shall terminate the participation of the center. If IRS certification of nonprofit status has not been received within 12 months of filing the application with IRS, and IRS indicates that the adult day care center has failed to provide all required information, the State agency shall terminate the participation of the adult day care center until such time as IRS tax-exempt status is obtained.

(5) Each adult day care center participating in the Program shall serve

one or more of the following meal types:

- (i) Breakfast,
- (ii) Lunch,
- (iii) Supper, and
- (iv) Supplemental food.

Reimbursement shall not be claimed for more than two meals and one supplement provided daily to each adult participant.

(6) Each adult day care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in § 226.20. Participating centers may not claim CACFP reimbursement for meals claimed under part C of title III of the Older Americans Act of 1965. Reimbursement may not be claimed for meals served to persons who are not enrolled, or for meals served to participants at any one time in excess of the center's authorized capacity, or for any meal served at a proprietary title XIX or title XX center during a calendar month when less than 25 percent of enrolled participants were title XIX or title XX beneficiaries. Menus and any other nutritional records required by the State agency shall be maintained to document compliance with such requirements.

(7) An adult day care center may obtain meals from a school food service facility, and the pertinent requirements of this part shall be embodied in a written agreement between the center and school. The center shall maintain responsibility for all Program requirements set forth in this part.

(8) Adult day care centers shall collect and maintain documentation of the enrollment of each adult participant including information used to determine eligibility for free and reduced price meals in accordance with § 226.23(e)(1).

(9) Each adult day care center shall maintain daily records of the number of meals by type (breakfast, lunch, supper, and supplements) served to enrolled participants, and to adults performing labor necessary to the food service.

(10) Each adult day care center shall maintain records on the age of each enrolled person. In addition, each adult day care center shall maintain records

which demonstrate that each enrolled person under the age of 60 meets the functional impairment eligibility requirements established under the definition of “functionally impaired adult” contained in this part. Finally, each adult day care center shall maintain records which document that qualified adult day care participants reside in their own homes (whether alone or with spouses, children or guardians) or in group living arrangements as defined in § 226.2.

(c) Each adult day care center shall comply with the recordkeeping requirements established in § 226.10(d), in paragraph (b) of this section and, if applicable, in § 226.15(e). Failure to maintain such records shall be grounds for the denial of reimbursement.

§ 226.20 Requirements for meals.

(a) Except as otherwise provided in this section, each meal served in the Program shall contain, as a minimum, the indicated food components:

(1) A breakfast shall contain: (i) Fluid milk as a beverage or on cereal, or used in part for each purpose;

(ii) Vegetable(s) or fruit(s) or full-strength vegetable or fruit juice, or any combination of these foods;

(iii) Whole-grain or enriched bread; or cornbread, biscuits, rolls, muffins, etc., made with whole-grain or enriched meal or flour; or whole-grain or enriched or fortified cereal; or cooked whole-grain or enriched pasta or noodle products such as macaroni, or cereal grains such as rice, bulgur, or corn grits; or any combination of these foods.

(2) Lunch shall contain: (i) Fluid milk as a beverage;

(ii)(A) Lean meat, poultry or fish; alternate protein products; or cheese; or an egg; or cooked dry beans or peas; or peanut butter; or any combination of these foods. These foods must be served in a main dish, or in a main dish and one other menu item, to meet this requirement. Cooked dry beans or dry peas may be used as the meat alternate or as part of the vegetable/fruit compo-

(B) Nuts and seeds and their butters listed in program guidance are nutritionally comparable to meat or other meat alternates based on available nutritional data. Acorns, chestnuts, and coconuts shall *not* be used as meat alternates due to their low protein content. Nut or seed meals or flours may be used as an ingredient in a bread/bread alternate, but shall *not* be used as a meat alternate except as defined in this part under Appendix A: Alternate Foods for Meals, and in program guidance materials. As noted in paragraph (c)(2) of this section, nuts or seeds may be used to meet no more than one-half of the meat/meat alternate requirements. Therefore, nuts or seeds must be combined with another meat/meat alternate to fulfill the requirement;

(C) Yogurt may be used to meet all or part of the meat/meat alternate requirement. Yogurt served may be either plain or flavored, unsweetened or sweetened. Noncommercial and/or non-standardized yogurt products, such as frozen yogurt, homemade yogurt, yogurt flavored products, yogurt bars, yogurt covered fruit and/or nuts or similar products shall not be credited. Four ounces (weight) or ½ cup (volume) of yogurt fulfills the equivalent of one ounce of the meat/meat alternate requirement in the meal pattern.

(iii) Two or more vegetables or fruits, or a combination of both. Full-strength vegetable or fruit juice may be counted to meet not more than one-half of this requirement;

(iv) Whole-grain or enriched bread; or cornbread, biscuits, rolls, muffins, etc., made with whole-grain or enriched meal or flour; or whole-grain or enriched pasta or noodle products such as macaroni, or cereal grains such as rice, bulgur, or corn grits; or any combination of these foods.

(3) Supper shall contain the food components and servings listed for lunch in § 226.20(a)(2), except that, for adult participants in adult day care centers, it does not require a serving of fluid milk.

(4) Supplemental food shall contain two of the following four components:
